***Active Members** – Individuals, who are currently serving as the person in charge of the security department in a Gated Community, may be proprietary or contract and whose only responsibility is to that individual property. Active Members are entitled to participate in Quarterly Business Meetings and all areas associated with the GCSMA.

***Sustaining Members** – An individual who is a past Active Member of the GCSMA or a retired individual previously in charge of security of a gated community and must have left their position in good standing. Sustaining Members are entitled to participate in Quarterly Business Meetings and all areas associated with the GCSMA.

***Associate Members** – An individual involved in the security operation of a gated community such as a security manager, (Lt. & above) property manager, (POA Chairperson) club General Manager, Retired Law Enforcement or former head of Security of a gated community. Must have 5 years' experience/exposure. A person working in a different field but has an expertise in the security field that may be of benefit to the GCSMA may qualify at the discretion of the membership committee. Associate Members are entitled to participate in all training, special events and have access to all areas of the member's website.

All members serve for the betterment of their individual communities and not for corporate organization interest.

Membership is individual and non-transferable from one person to another, except where the membership fees are paid by the gated community and then the new appointed security director shall serve the remainder of the current year. Membership fees cover one calendar year. All memberships expire December 31 of each year; memberships accepted after October 1 will be credited to the following year.

The President of the Gated Community Security Managers Association has the right to deny or revoke any membership.

I certify that all information is true, accurate and complete to the best of my knowledge. I authorize contact to my General Manager to verify my employment with the identified gated community.
